PEDIATRIC CARDIAC SONOGRAPHER
Part time with potential for Full time

Los Angeles, CA

The Cardiac Sonographer will perform outpatient transthoracic echocardiograms in neonates and other pediatric patients. By gathering diagnostic images and other medical data the Cardiac Sonographer will assist the cardiologist in reaching a medical diagnosis and treatment plan.

To qualify, you must be eligible or a Registered Diagnostic Cardiac Sonographer (RDCS) from the ARDMS with an emphasis in Pediatric Echocardiography (PE specialty). Strong written/verbal communication, problem-solving, prioritizing and organization skills are essential, as is the ability to maintain confidentiality and work as a team player. The candidate may be required to travel to other office locations to meet coverage needs. We are an Equal Opportunity Employer.

Please send your resume with "Cardiac Sonographer" in the subject line of your email to:
Chayes.pacped@yahoo.com

You may also call our office at (626) 796-9259 ask for Carmen Hayes.
