SOPE LOGO DESIGN CONTEST

HELP SOPE REBRAND!

SOPE would like to officially invite our pediatric echo community of members to help in the rebranding of our pediatric echo society! The logo contest is open to all society members and will decide the official logo for SOPE! Members with great ideas are encouraged to submit logo renderings regardless of their ability to render a final version.

The logo contest will run in the following format...

- All society members are invited to submit logo design concepts in jpg format.
- Logos will be submitted to tfoy@firstpointresources.com.
- The SOPE Board will choose three finalists.
- The members will then be given the opportunity to vote for their favorite logo design concept from the finalists.

Additional rules for members wishing to enter the SOPE logo contest...

- All submitted work must be original and not based on any pre-existing designs.
- By entering a logo design, you agree to transfer the copyright on the design to the SOPE for use as our official society logo! The logo will be used on all SOPE publications and web presence.
- Entries should represent our society and the mission.

Thank you all and good luck!
